

ANZAC Day Canberra

After a very wet day at the AWM service, members adjourned to the Southern Cross Club for lunch. NSCFAA members Duncan Souter, Soucila Tompsett, Robert Tompsett, Norm Barty, Alan Williams, and Wal Beckhouse went to the Nursing Home of Carey Gardens in Red Hill, as we do every year, to present an ANZAC service to the residents. As always the service was well received by the residents and staff of the Nursing home. Duncan Souter granddaughter Nicky played the Last Post on her bugle and granddaughter Jess raised the flag on our behalf. A scrumptious afternoon tea was served to be enjoyed by all. Residents were very grateful and appreciative of our service.
