HAY BRANCH REPORT FOR 2015 -2016.

Hi everyone, Well another year has come and gone. It has been very quiet out our way, the last year, but we must thank Jim Cooper as he has been going to the War Graves at the Cemetery, Almost every day.

Talking about the War Memorial Cemetery, we have once again been awarded the contract for the War Cemetery again, which is wonderful, at an increased income, because the price of goods going up all the time.

Our Branch was invited to a Barbecue at Leeton, midyear by the Leeton Branch, they always have the Barbecue on a Sunday, instead of Saturday. I rang Les Dunn to tell him that we did turn up but the wrong day. Les did tell me that we are still invited to their Christmas Party and I said I would make sure it's the right day this time. Leeton always has good food, drinks and fellowship.

Our Branch hasn't had many meetings this year as Colin has been sick, last month we had to rush him by ambulance from Hay hospital to Griffith hospital, was his heart again. He has since seen his Cardiologist, and he has to go to Saint Vincent hospital again, for a small operation as soon as they can arrange it.

Our Branch fully supports the Canberra Branch's No 2 motion. We had already booked our accommodation and arranged our travel to the AGM and then we had to cancel, but it is a long way to travel as well. I think if you look back through the reports, it was voted on not to move from Goulburn without prior

consultation with NSCFAA Branches.

AS our Branch will not have anyone, or delegate present at the AGM, but all incoming or outgoing, all the best for the coming year. We wish all Branch Members, good health and wellbeing for the coming year and God willing, we will be here, this time next year.

Yours sincerely,
Signed, B Ashcroft, Hon Secretary.
